Smith Claims He'll Persist In DC Annex

Hugh Smith Jr. told THE RECORD today that he is still "definitely interested" in annexing 975 acres of property west of Junipero Serra boulevard to Daly City.

The statement came despite indications Monday night by the South San Francisco city council that the proposed \$200 per lot annexation fee would be dropped.

Smith, former Daly City mayor and newly-named president of the local Chamber of Commerce, last month appeared before the South San Francisco council to object to passage of the annexation fee.

"I have never negotiated with South San Francisco for annexation," he said today, "but only appeared at the meeting to protest the fee."

Smith continued that he feels the proposed fee to be "unbusiness-like" and fears that it might begin a trend in the county.

Winston Objections

Indication that the South City council might reverse its plan to initiate the \$200 fee came after Robert Whitehead, president of Winton Manor No. 2 improvement club, objected to the possibility of a fill and cover dump being established on the Smith property.

Application by the Daly City Scavenger company that they be allowed to operate a dump there was turned down by the county planning commission and board of supervisors when Winston Manor residents objected. If the property is annexed to Daly City, however, the county will be unable to stop establishment of a dump.

The scavengers, still fighting to gain approval for the Bernardi ranch site in Pedro Valley, have not approached Smith on purchasing the property. President Al (Continued on Page 7)

Vista Mar Slope Bids Open Today

New bids for the slope stabilization of Vista Del Mar school will be opened today (Friday), according to Superintendent H. Z. Weibel of the Jefferson Elementary School district.

Trustees rejected a lone bid of \$50,372 last month submitted by Charles L. Harney, terming it "excessive." New contract for the job will be awarded on an equipment-rental, cost-plus basis. Trustees will consider the new bids at next Wednesday's board meeting.

Weibel said the district is awaiting reports from soil engineers before deciding whether to let bids for the school's construction or to delay the project until stabilization is completed. Don Smith. (Continued on Page 2)

Ambulance Service Proposal Weighed; More Study Asked

More particulars on a proposed free ambulance service for Daly City to replace the present municipal service operated by the police department were called for by the city council in study session Wednesday night.

The proposal to service local emergency calls at no charge to Daly City was made by Robert Silva, owner, and Jesse Peavyhouse, manager, of Silva's Ambulance Service.

Under Silva's proposal, he would purchase Daly City's ambulance, bringing his number of vehicles to three. One would always be available for Daly City calls, he said.

While Mayor Joseph Verducci observed, "It seems like better service," Councilman Paul Hupf called for "more particulars, such as the firm's financial responsibility."

Bay Area Ambulance Service, in a letter read at the meeting, asked to appear before the council next Monday to consult with the council before they took any action on the Silva offer.

Verducci then concurred in City Manager Howard Stites recommendation that specifications for ambulance service be drawn up to give other companies an opportunity to submit proposals.

City Council Expected To Bar Police, Firemen From Union Membership

Fire Volunteers Expense Fund Under Inquiry

The touchy issue of "petty cash" pay for the city's volunteer fire department, pioneer Daly City civic and social organization, was debated Wednesday night by the city council. City Manager Howard Stites and Fire Chief Elmer Kennedy. The chief was asked to submit a full report on the volunteers' expenditures.

In question was the \$1200 a year which is divided among the three volunteer fire companies for training expenses and incidentals such as coffee after the training periods. This is in addition to the some \$8000 a year paid to the volunteers for "on call" wages.

Kennedy, explaining that each company used the \$400 to pay for supplies, and an occasional "hot dog and coffee," said that, "If you didn't allow this money, you wouldn't get the response."

"I think the price is cheap for the kind of response we get." He added that "It's the social functions that hold the volunteers together. They talk over training over coffee or a beer. It's something you don't understand."

Supplies Cheaper?

Stites held that the volunteers could get their supplies cheaper by requisitioning for them through the city and taking advantage of volume buying.

Councilman Paul Hupf requested that Kennedy bring in the financial reports of the volunteer organizations, to which the chief agreed.

Councilman Michael De Bernardi agreed that the expenditure of the money should be subject to council review, but held that, "The (Continued on Page 7)

PROPOSE DC JOB LISTS BE CUT TO 1-YEAR DURATION

Recommendation by the personnel board that civil service employment and promotion lists remain in effect only one year was tabled Wednesday night by the city council.

At the present time lists go unrevised for a four-year period. The suggested change would obviously allow for greater selection of job applicants.

Personnel board recommendation contains the stipulation that the term of the lists may be extended for an additional year by action of the commission.

A joint meeting of the council and personnel board on the proposal is scheduled for October 22. In other business at their Tuesday meeting the board:

1. Recommended salary increases for positions of police chief, fire chief and director of finance.

2. Tabled consideration of overtime payment.

3. Recommended to the council that an additional \$300 be spent to advertise for employment openings.

4. Approved open competition examination for the position of police captain.

5. Authorized an examination for children's librarian.

6. Tabled consideration of the fire captain's examination.

KICK-OFF BREAKFAST for United Crusade Tuesday at new Westlake clubhouse saw a banner turnout of 50 local business-

donations will surpass the \$5500 goal set for this division.

OPTIMISM AT BREAKFAST

Merchants Break Bread For Crusade

Daly City businessmen, gathering 50 strong for a United Crusade "kickoff" breakfast Tuesday morning at Westlake clubhouse, gave "the hand in their pockets" to the extent of \$1423, more than one-fourth of the entire Daly City quota of \$5500.

Personal pledges gained from the five geographical districts were as follows: I—\$215, II—\$132, III—\$522, IV—\$295, V—\$259. The breakfast session, headed by Dennis J. Franco of the business

division and Howard Stites, city chairman, touched off the three-day drive which will be concluded tomorrow.

Rex Mueger, deputy Scout executive of the San Francisco Boy Scout Council, in outlining the campaign, termed giving to the United Crusade an "investment," not a donation.

Breakfast was prepared under chairmanship of Mrs. Robert Wood, assisted by Mesdames Ralph Sylvester, Howard Stites, Earl

Baird, cooks, and Mesdames John Eiler, Jack Hurt, Carl Steigerwald and George Dahl, waitresses. Table decor was executed by Mrs. H. S. Garrison, and acting as hostesses were Mrs. Mason Eastman, Mrs. Don Morin and Mrs. Woodrow Green.

Following breakfast, the businessmen were given their district assignments for soliciting subscriptions during the all-out three-day drive.

Begin Petition Campaign For Pedro Valley Dump

Daly City Scavengers have begun circulating petitions to counteract those presented the county planning commission by the Linda Mar Homeowners association.

"We hope to at least double the number of signatures gained on the North Coastside," Scavenger President Al Sereni said today. Petitions presented the planning commission contained almost 2000 names.

Residents served by the Daly City Scavenger company were reminded by Sereni that the firm will be without a garbage dump site in two months when McKoon Construction company begins building on the property now leased to the Scavengers.

Application for the Bernardi ranch dump site in Pedro Valley is scheduled for review by the board of supervisors on October 16. Permit for the site was denied by the planners two weeks ago.

As Many Voters

"It appears that the only way

in which the interests of the people of Daly City can be protected is by impressing upon the board of supervisors the fact that there are at least as many voters in Daly City as there are in Linda Mar," Conrad Reich, attorney for the Scavengers said today.

Reich continued by maintaining that the "only reason for the refusal of the planning commission to grant the request of the scavenger company was the fact that petitions containing 2000 signatures . . . had been presented to

Arrest Six Men As Suspects In Colma Robbery

Six men, believed to be members of a dapper gang which robbed Bob's Motel in Colma two weeks ago, were scheduled to be brought before San Mateo County sheriff's office witnesses today for positive identification.

Four of the suspects were taken into custody in San Francisco and two were arrested in Colma on burglary charges earlier this week. Authorities claim they were involved in three San Francisco robberies in addition to the Colma stickup.

Inspector George Heeg, head of the San Francisco robbery detail, said one of the suspects nabbed in Colma, George Tom, 22, admitted his part in the Colma robbery. The sum of money taken and the facts of the crime tally with Tom's story, Heeg indicated.

Others held are Paul Sherman, 20, John Almares, Dan Lenschmidt and Don Dill, both 21, and George W. Smith, 25. Tom, Sherman, Almares and Lenschmidt are charged with the Colma robbery. (Continued on Page 7)

2 DRUNK DRIVING FINES IN MONTH 'BAD SITUATION'

Daly City plumber George Buttle will have to dig deep to square accounts with Judge Thomas L. Bocci's municipal court, after being convicted of drunk driving twice within a one-month period.

Buttle, 51, of 226 Crocker avenue, was fined \$250 in municipal court Tuesday after pleading guilty to drunk driving and five other lesser offenses in Daly City on August 2. He was given 10 days to pay the fine.

One day later, Wednesday night at 7 p.m. Buttle was arrested by police in front of 214 Crocker avenue following an accident involving Buttle's car and one owned by Bennie Schauer of that address.

Witnesses said that Buttle was backing into his garage when he struck the Schauer vehicle. Buttle, whom police said was belligerent, was again charged with drunk driving.

Appearing in Judge Thomas L. Bocci's court yesterday, his driver's license was ordered revoked and he was fined \$400, making him a total of \$650 in arrears to the municipal court.

Judge Bocci put it mildly when he told Buttle, "You've got yourself in a real bad situation."

STITES—COPS NOW PROHIBITED

The city council will bar police and firemen from membership in the American Federation of State, County and Municipal Employees International union, it was informed today by City Manager Howard Stites.

Councilmen are expected to take action on the matter at Monday's meeting following review of a lengthy legal opinion submitted by City Attorney Frank Blum.

According to Stites, present city rules prohibit police from belonging to any organization of which "aims and purposes are contrary to law enforcement of the city."

The city manager continued that courts have already found that a conflict exists between the aims of unions and those of law enforcement agencies.

Ironically, president of the newly-formed union group is Charles Munday, a police officer. It also is rumored that the majority of police and firemen have voted to become members.

When asked whether he thought there would be any objection to employees other than those in public safety departments joining the union, Stites replied in the negative.

The City Employees association, in a 44-9 ballot two weeks ago, voted to disband their present organization and join the union. According to Munday, it was the majority opinion "that the effort of the association to seek improvements in matters affecting employees has proved fruitless."

Demos Gain Over GOP In Registration

Democrats have hiked their voting margin over Republicans in Daly City and San Mateo County, according to official registration figures released this week by County Clerk John A. Bruning.

The county's 185,437 voters, an increase of 30,000 over four years ago, include 93,066 Democrats and 87,257 Republicans.

The Demos had a county margin of 3815 voters at the last presidential election and 3832 two years ago. Democrats numbered 77,367 in 1952 and 79,278 in 1954. Republicans totaled 73,552 in 1952 and 75,446 in 1954.

Other party total for the county show: Independent Progressive, 45; Prohibition, 16; miscellaneous, 386, and no preference, 4667.

The county breakdown finds 97,270 voters in the 26th Assembly District and 88,167 in the 25th Assembly District.

Democrats hold a margin of 4222 over Republicans in Daly City. The Demos number 9569 and Republicans 5347. Two years ago, Democrats led by 3493 voters, with 7186 to 3693 Republicans.

PURCHASE OF \$3400 DOZER MINUS BIDS HELD LEGAL ACTION

City council Wednesday night authorized purchase of a used bulldozer for \$3400 without calling for competitive bids, after City Manager Howard Stites and City Attorney Frank Blum ruled that such action was not illegal.

Mayor Joseph Verducci questioned the purchase, since all city expenditures over \$2000 must be submitted for bid.

Stites explained that it is common practice for cities to purchase "used equipment outright, since it is "difficult to write specifications on this type material."

City Engineer Cyril Weiler said the bulldozer was an "excellent" buy. It will be used for the street department.

FIRE PREVENTION THEME PLANNED FOR NEXT WEEK

"Don't give fire a place to start."

This important admonition was given today by the Daly City fire department in preparation for the observance October 7-13 of national fire prevention week.

Captain Frank Specht, head of the local fire prevention bureau, said the local department will conduct "an extensive program of fire prevention next week."

Talks will be given before PTA and other civic groups and fire drills and movies will be presented at all local schools.

Joining forces with local firemen in the campaign will be the North San Mateo County Insurance Agents association and Hartford Insurance company, which will supply the department with plastic fire helmets for kindergarten and first graders and junior fire marshal badges for all children.

In addition, a fire prevention poster contest will be conducted among local students and prizes will be awarded for the best work.

Youngsters of elementary school age will be given a home report inspection blank which is to be filled out by students with the help of their parents and returned to the department.

WESTLAKE POST OFFICE BRANCH CONTRACT LET

The Town Record

By MONTE DAYTON

DOROTHY NELSON, 14 Westdale, had the Westlake Improvement association directors perplexed Monday night.

Rather, her house did.

The Nelson house was rebuilt to include a bathroom and closet. Then she discovered there was no way to air condition the dwelling, so she built a flue out along the wall connecting to the mailbox.

The postal building will provide 8774 square feet of space for mail handling and service to postal patrons. In addition, it will have a 540 square foot loading platform and a special parking and maneuvering area of 5508 square feet for postal vehicles.

The mailman thought he was having hallucinations.

Tuesday's United Crusade kick-off breakfast here was a real potpourri.

Water Dispute Settled

Fearing high cost of litigation, the city council ruled an informal compromise Wednesday night on installation of water lines for the 40-home Myrtle tract in southern Daly City, ending a six-months deadlock.

Subdivider A. L. Kreuzberger had refused to bear the \$6800 cost of installing mains, contending that he had a written promise from former city engineer Edwin Smith that the city would "supply water on demand."

Kreuzberger's offer of a \$500 cash settlement was verbally accepted by the council Wednesday night as City Manager Howard Stites pointed out that this would save litigation costs.

The city had refused to install the water facilities, charging that this was an obligation of the builder.

The \$500 will go towards paying for installation of a two-inch line. Stites recommended that to avoid problems of this type in the future the council "immediately" pass an ordinance establishing charges for installation of water mains on property within the city limits and not affected by the subdivision ordinance.

Vista Mar Slope Bids Open Today

state department of finance representative, last week recommended that construction begin immediately. Architect Mario Ciampi, however, was not in favor of the proposal, claiming stabilization at the same time would endanger construction of the plant.

The state division of architecture is checking plans for the Vista Del Mar and Vista Grande schools and is expected to forward its recommendations in about two weeks, Weibel indicated.

District officials conferred yesterday with the Zita Corporation and are expected to meet with Henry Doelger Builder Inc. next Tuesday to discuss the Abraham Lincoln site and the Benjamin Franklin addition.

Burning Order

Meanwhile, the Daly City Scavengers faced another problem this week with the order by McKeeon interests that they burn all garbage. Although the health department has prohibited burning the scavengers are forced to disobey this ruling or lose the dump site.

Daly City Mayor Joseph J. Verducci joined a host of other city and scavenger officials this week in condemnation of county authorities.

"The county appears to be forcing another taxable district upon the people of our city," Verducci stated. "It is time that free enterprise be allowed to operate as a part of a tax structure so that the people will have more taxing districts to worry about."

The mayor continued that "we have faced flies, dirt, vermin and smog in an attempt to clear this situation. All of these matters could have been, and would have been taken care of, had the county seen fit to cooperate with the city in the matter of garbage disposal."

THE PUBLIC SHOULD MANAGE POLICE

Recent action by the Daly City civil service employees to join the American Federation of State, County and Municipal Employees, a national AFL-CIO union, immediately confronts the city with a king-size problem.

Does this union membership include the Daly City police department?

It shouldn't! Despite the fact that federal law prohibits policemen from striking, as does the police union, membership of police officers in this strong economic labor force would be untenable.

Membership would place officers' first obligation to their union, instead of to their public. And in no department is dedication to the public good more important than in the ranks of the police force.

As members of the union ranks, policemen would be subject first to the discipline of their union, secondly to the officer in command. To owe allegiance to two "employers" would present a conflict of interests, a position no policeman should have to put himself in.

Elsewhere throughout the Bay Area the problem of unionization of policemen has arisen. And unionization has been rejected because the good it might do in job protection would be far outweighed by the damages done to the police department's ability to objectively protect the welfare of its citizens.

We will always uphold the rights of unions to bargain in the best interests of employees in dealing with management.

But we are unequivocally opposed to having "management" of our police force transferred from the public's hands into the union's.

PROCLAMATION

WHEREAS, the teaching and the practice of fire prevention are of invaluable assistance in saving lives and protecting property throughout the Nation; and

WHEREAS, enormous losses can be avoided through effective fire prevention measures; and

WHEREAS, fire prevention programs meet vital community needs and should be the concern of all the people of the City of Daly City; NOW, THEREFORE, I, JOSEPH VERDUCCI, Mayor of the City of Daly City, do hereby designate the week beginning October 7, 1956, as Fire Prevention Week.

I call upon all our citizens to join in effective programs to promote safety in the control of fire; and I urge all of the people of the City of Daly City to participate actively in observing Fire Prevention Week, not only by cooperating with the observance thereof by our local Chamber of Commerce and our City, County and State Governments, but also by reminding themselves of the basic need of the contribution of each of our citizens to this program by continued observance of individual fire prevention fundamentals so that by our combined efforts we may effectively reduce the loss of life and property resulting from fires.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Daly City to be affixed this 3rd day of October, 1956.

Something For Everyone

By The Staff of the Daly City Public Library

The opening of the 1956 football season has stepped up interest at the Daly City Public Library in books on all aspects of the game. There is material available on football techniques, how to watch football, famous rivalries, all-time game records, and the history of the sport. Books can give you facts about fundamentals and help you enjoy the game to the fullest extent.

Perhaps the best place to begin reading on this favorite sport is with Fritz Crisler's MODERN FOOTBALL, FUNDAMENTALS AND STRATEGY. Although not a new book, Crisler's is one of the basic studies of football techniques, invaluable to player and spectator alike.

Statistics on past games—both college and professional—are available in Frank Menke's ENCYCLOPEDIA OF SPORTS, a reference book to be used in the library. As the title indicates, this volume will be of interest to anyone seeking authentic information on the rules history and statistics of any sport, including some of the less commonly-known games. Many a bet has been settled by this volume!

A recent book, Edwin Pope's FOOTBALL'S GREATEST COACHES, tells the stories of twenty-eight top-ranking coaches, including such football greats as Knute Rockne, Frank Leahy, Amos Alonzo Stagg, Earl Blaik and "Pop" Warner. An older volume, Robert Shoemaker's FAMOUS FOOTBALL PLAYERS, does the same for the all-time greats.

Football's history from earliest times is traced in Alexander Weyand's THE SAGA OF AMERICAN FOOTBALL. Rube Samuelson's THE ROSE BOWL GAME is a self-explanatory title. Great games and players are recorded by Red

Grange in his MY FAVORITE FOOTBALL STORIES, which also includes some famous short stories about the game. Other games and incidents are recounted in such volumes as COLLIER'S GREATEST SPORTS STORIES, edited by Tom Meany, and A TREASURY OF SPORT STORIES, edited by Ed Fitzgerald from Sport Magazine.

And of course, the magazine SPORTS ILLUSTRATED contains a great deal about current happenings in football, as do most of the other popular magazines.

Two San Francisco authors, of a very different nature from those mentioned above, have their latest works available at the Daly City Public Library: Kathryn Hulme, whose THE NUN'S STORY was a recent selection of the Book of the Month Club, and George Mardian, whose SONG OF AMERICA has been on local (as well as national) best-seller lists for several weeks. Mr. Mardian is more widely known as a chef and restaurateur than an author, but his book is a delightful recollection of his life as an Armenian immigrant and his struggle for success in America.

These and other books of current interest are available at the Daly City Public Library, 6351 Mission Street, and the Westlake-Broadmoor Branch Library, 34 Park Plaza Drive, in the Westlake shopping center. Remember, your public library has something for everyone!

News From Here & There

By Eleanor Doyle

This Sunday, October 7, at an elaborate ceremony at the Methodist Church in Sonoma, Calif., JAMES CERNA will bestow his name on HARRIET ELLEN TURMAN. After their honeymoon the couple will make their home in Daly City. The bride-to-be is the daughter of the Wilson Turmans of Sonoma, and the benedict is the son of the Joseph Cernas of Brunswick.

September 29 was quite an eventful day in the lives of DAVID and CATHERINE (BONNIE), children of the BALES TRERIS of Peoria, due to the fact that both youngsters claim the same birthday. DAVID welcomed his eleventh birthday by taking a few friends to the theatre to celebrate his day. While MISS BONNIE celebrated her seventh birthday by sharing it with some of her classmates and friends. The party festivities were enjoyed by Donna Lee Ricci, Sharon Leibovich, Sandra and Rosemary Balestrieri, Nancy Mossman, Karon Ann Jones, Linda Olsen, Gergette Kleinheinz and Joan Collins.

Three of our local boys, VERNON WALIGORA of San Diego, FRANK CIREMELE of Los Banos and DONALD RICCI of Peoria, whose friendship dates back to grammar school at OLPHI, high school at Reardon and a year of college, now at nineteen years of age have entered their biggest adventure together, the US Marine Corps. The boys were inducted on August 8 and are now receiving their boot training in San Diego.

Peoria street recently lost some "old timers" . . . The ED COOKS now can be found residing on Parkridge lane . . . While JEAN NORDGREN has changed her address to Bismark street where she is making her home with daughter Florence Doyle.

Last Saturday the families of members of the FRIENDLY NEIGHBORS club on Abbott (about 40 all total) met at San Bruno park to enjoy a barbecue which honored the OWEN MACNEALYS and daughters from Sheridan Calif. The MacNealys paid a surprise visit to their former neighbors on Abbott and were the week end house guests of the Ray Urbanos.

ANNETTE MARIE is the name selected for the second addition to the WAYNE LOVEALE family of Hillcrest drive. She tipped the scales at five pounds, fifteen ounces, upon her arrival at St. Mary's on September 13. The lass is the sister of CAROL ELAINE who on September 17, when she welcomed her very important first birthday.

The proud grandparents are Mr. and Mrs. Thomas Quicker of Peoria, who now boast of nine grandchildren . . . while Mrs. Essie Loveale of Los Banos has become a grandmother for the 23 time.

Another daughter has joined the JAMES HOUKS of Niantic, for on September 24 MISS THERESA CAROL checked into Mary's Help, where she weighed in at seven pounds, three ounces. The new-copier was welcomed home by Kay, Dolores, George and Mervin Dahl and Patricia Houk.

Christening services were recently held at the OLPH church for JOSEPH CHARLES, infant son of Mr. and Mrs. George Valente of Theta. The baby's Godparents are Mrs. Eleanor De Metris (formerly Eleanor Cunningham), now a resident of South San Francisco, and Mr. Raymond Valente (uncle) of Crocker avenue. GEORGE is the brother of James Joseph and the grandson of the Joseph Charles Southerlands of San Francisco and the Joseph Valentines of Oakland.

On September 15 MASTER JAMES JOSEPH VALENTE declared his day and huffed, and puffed till he blew out two candles on this year's birthday cake. Sharing in the party treats were John and Jimmie De Metris, Mario and Michael Colodi, Jeffery Gochez, Edwin Bottarini, Michele Adams, Nancy and Julia Pezzola, Margo Lane, Richy and Bobby Sutherland and Pauline Valente.

Last Monday afternoon MISS CHRISTA BRETZ of Atlanta entertained a few of her neighborhood friends at her home to celebrate her fourth birthday. The gay colorful "circus party" was enjoyed by Becky Parish, Denise Shultz, Sherry Ann and Shannon Buchanan, Elizabeth Beers and Robert Laus.

An odd coincidence . . . Two local Moms recently kept dates at St. Francis hospital and both welcomed boys on the same day—

September 15 . . . and making it the third child for each . . . as yet the new parents have not met one another.

THE LOUIS LIBERATIS of Lowell have named their first son JACK PHILLIP. He tipped the scales at an even five pounds on his arrival. The "little" guy is the brother of Denise, five, and Susie who is three.

Big brother roles are being enjoyed these days by Steven Andrew, six, and Ronald Eugene, five, sons of the VIRGIL WILSONS on Bellevue. This is due to the appearance of MASTER BRYAN ANTHONY, who weighed in at an even nine pounds. The addition makes MRS. MYRTLE DOYLE, also of Bellevue, a grandmother for the ninth time.

With Father Norman Allen officiating, OLPH church was the setting recently for the christening of DONALD JAMES, first child of the WILLIAM P. TYLENDAS (the former Marcia Thorne) of Shakespeare. The infant's Godparents are the Jack Cordos of South San Francisco. Grandparents are the W. T. TYLENDAS and the J. Thorones, also of Shakespeare, and great-grandparents are the Andrew B. Andersons of Crocker avenue.

Recent hostess for an evening's demonstration of Tupperware products by Helen English was MRS. JOYCE BANKER who entertained at her home on South Mayfair. The following attended, Mesdames: Nancy Corbett, Irene Musich, Ardel La Plint, Beverly Hipkins, Ruth Ingomeir, Lorraine Norwitt, Rey Conway, Ernestine Mayo, Jennie Fontero, Elsie Pondorff, Betty Caffart, Lorraine Castillo, Marie Hamilton, Marge Maxwell, Jenette Lawrence and Lorraine Thompson.

After completing his four months of training at Fort Ord and Fort Lewis, PRIVATE CORTEZ FERNANDEZ (of San Diego) is now stationed in Anchorage Alaska.

Some belated but happy birthday wishes to . . . DAVID BONELLA on Abbott, who claimed six candles on his birthday cake. . . On Delong street we hear that LYNN COLEMAN recently welcomed her eleventh year. . . GAIL YOUNG on Valley street is a brand new ten year old. . . While TIMOTHY DENNIS FOLEY of Lausanne ushered in his third in grand style with a big family celebration. . .

Center of attraction at the AINSWORTH home on San Pedro last Monday evening was MISS THELMA, who greeted her grandparents, aunts, uncles and cousins, when they arrived to help her fete her fifth birthday.

MRS. NADINE LITTLE was honored recently at a surprise stork shower, given by the members of the Wednesday Nighters club. Members who attended were Mesdames: Kathleen Heggum, Rita Bocci, Verna Caleron, Lois Capps, Jeannie Giannini, Dottie Sanguinetti, ZuZu Gollahan, Lorraine Picchi, Doris Rehe, Barbara Galindo and Corrine Ricconi. Their hostess for the evening turned out to be member MRS. DOLORES GIANNINI, who surprised her friends by greeting them at her new home on Corrida Way in South San Francisco.

Little JOHN THOMAS, infant son of the LYLE CHURCHES of Bellevue, recently was christened at St. Brennan's church in San Francisco. Father Thompson, a family friend, officiated at the services, which were followed by a reception at the Valley street home of grandparents, the MAURICE CUMMINGS. The baby's Godparents are Miss Joan Cummings, an aunt, and her fiancée, Mr. Ronald Knutson.

A bang up time was had by the pals of JIMMIE BERTUCCI one day last week when they came to help him fete that twelfth birthday. While Mom (Lillian) was busy serving the boys, Dad (George) was busy taking movies of the occasion. Guests who were Robert Durand, Donald Giusti, Kenneth Lenthier, Kenneth Chisolm, Tim Pinelli, Ralph Oleese, Albert Bertucci (cousin) Glenn Miscal and Michael MacDonal.

September 18 and 19 were important days for MRS. LEON (JENETTE) FELLMAN of Peoria, who on the 18th soled her 36th anniversary in the absence of her hubby who is a merchant marine. On the 19th all the Fellman clan were on hand to help her celebrate her birthday in grand style.

HAPPY DAYS are here again for Daly City's Herb A. Ashton, 342 Woodrow street. He came home to his family last week

"completely cured" of tuberculosis which hospitalized him for a period of 19 months. He expects to return to his job with a

San Francisco brewery early next year.

Daly City Resident Wins 'Hopeless' Bout With TB

Some people don't believe in

miracles, but Herb Ashton, 342 Woodrow street, certainly does. He got the best birthday present of a lifetime last week when doctors at the City of Hope Medical Center in southern California pronounced him "completely cured" of tuberculosis.

Herb's homecoming was spectacular since physicians had little hope for him when he entered the famed charitable institution a year ago.

Fools Do "When I reported there most of the doctors never expected me to walk out, but I guess I fooled 'em all," Ashton told THE RECORD. Herb's recovery came after a

long series of tests and medication. He responded so well to wonder drugs that surgery, used in extreme cases, was avoided.

Ashton, a warehouse checker for a San Francisco brewery, came down with the ailment about 19 months ago. He spent seven "dreary" months in a Sausalito sanitarium before moving to City of Hope for a last-ditch battle. Doctors attributed his trouble to lung scars left by pneumonia which later developed into the deadly TB.

Light Schedule "I'll have to take it easy and not work until about the first of the year," Herb admitted, "but I'm mighty happy to be home again."

During his stay at City of Hope, eight months of it in bed, the Daly City man kept his spirits up by editing the hospital paper and working with art and crafts. "They have an outstanding recreation program there, and I don't think I have to say how wonderful the doctors are," he enthused.

Ashton and his wife have two sons, Herb Jr., 10, and Robert, 8. The family has lived here the past 10 years.

Crocker School Hit By Juvenile Vandals

Juveniles went on a spree of vandalism last Friday night by breaking windows and stealing electric light bulbs and reflectors at Crocker school, Bellevue avenue and Roosevelt street.

Police answered a call from the area but were unable to determine the culprits after questioning several youths in the vicinity.

style.

This morning's mail brought a letter from the HENRY LEAVITTS, formerly of Hillside boulevard and now residing in their new home on Gavota Way in San Jose. The Leavitts send their hellos to their many friends here in Daly City and say they are keeping touch by receiving THE RECORD every week.

The LAUGHTON SALTS-GAVERS of Lausanne have had as house guests his mother, Mrs. Mary Saltsgaver, and her friends Mrs. Frances Louis, who both experienced their first flight from Council Bluffs, Iowa. The visitors are enjoying lots of sightseeing with Marge as their guide.

Notes from here and there. . . The first flight was also quite a thrill to the children of CLARA DONATI and MONDAY LIVELY, who recently returned after enjoying a wonderful time at Disneyland and Knott's Berry Farm. . . On a recent night out the JOHN SAMINOS of Rice and the KAYO IRVINS (of the County Line Cleaners) were seen dining at Ricos in Palo Alto. . . The ANDREW B. ANDERSONS and their son HOWARD of Crocker have just returned home after a visit to Denver, Colorado, where they enjoyed a few weeks' stay with their son, Wallace. . . Welcome home to MR. HERBERT ASHTON on Woodrow, who is back in circulation again after being a shut in for many months. . . Last Sunday afternoon at Skateland, JEANNINE and DONNA MAHOOD of W. Moltke achieved another award, their second dance bronze bar and promotion to another skating class.

Ohlendorf Attends Lutheran Conference

Elmer Ohlendorf, 95 San Joaquin avenue, a member of the Bethel Lutheran Church of San Francisco, returned this week from the annual three-day conference of the Lutheran Layman's League in St. Louis.

Ohlendorf is membership secretary of the California-Nevada district.

New impetus was given to every phase of Lutheran League operations as the 200 leaders were briefed on the latest development in the organization's broad program of Christian service. Plenary sessions in the morning, sectional conferences in the afternoons, and a fellowship dinner were among highlights.

Dr. Arnold H. Grumm, recently elected first vice president of The Lutheran Church-Missouri Synod, opened the convention with a keynote address. This was followed by a message from international LLL President A. W. Herrman of New Orleans.

"MAGNIFICENT PROMISES ARE ALWAYS WAYS TO BE SUSPECTED"

There appears to be a growing tendency toward advertising seemingly low bargain prices by certain radio, television, and door-to-door salesmen. The products they sell are usually made by a manufacturer unknown to you, or newcomers to drug manufacturing.

Before buying such medicines or vitamins, make certain these magnificent promises are true. Only a pharmacy is licensed, and regularly state inspected, to protect you. Usually the prices we charge for comparable quality are less.

Crockerites Report

FOURTH GRADE MRS. HAVKINS

Our class is starting a study of sea shells. We have a large collection of shells on our science table and we plan to label each one.

Our beginning unit in Social Studies is California Indians. We hope to build an authentic Indian house somewhere on our school grounds. The materials used will be those the Indians used hundreds of years ago.

FIFTH GRADE MRS. LEIBE

Have you ever heard of Amerigo Vespucci? Over thirty boys and girls in Mrs. K. Leibe's Fifth Grade class at Crocker School have. They know that our country, America, was named in his honor and that America is the English way of saying Amerigo. The students will soon be involved in this year's theme of work, "Colonial and Pioneer Life" in early America.

During our morning news period, a newcomer, Norma Cobble, brought in a large weighty piece of lava rock for examination and display.

Jerry Costanzo, Linda Laureano, Bob Perry and Yvonne Felch are working hard to revive last year's "Crocker Chronicle," our school newspaper.

Patsy Derrigan came to school armed with pamphlets and pictures from the U. S. Navy after her recent tour of a navy aircraft carrier.

The following poem caught the eye of Sharon Witte and Bob Burnes when it was posted on the bulletin board.

The wise old owl
Sat in the old oak.
The more he heard
The less he spoke.
The less he spoke
The more he heard.
Why can't you be like
That wise old bird?

SIX DC BOYS ADMIT SF CROSS BURNING

Six Colma boys have admitted to last week's cross burning on a San Francisco Negro family's lawn. The youngsters, who told officers the incident was meant as a prank, were picked up at the local school last Friday.

Discovery of the culprits was made by Daly City Police Officer Richard Sims, who questioned witnesses who had overheard the youngsters talking.

They were booked at the Youth Guidance center in San Francisco.

The cross was found blazing last Wednesday night in front of the home of Herman Browne, 56 San Diego avenue, a half block from the Daly City limits. The boys also tossed a rock, bearing the words "Get out of Daly City," through the dining room window.

More than 100 California wartime combat leaders — ranking Army, Navy, Air Force and Marine Corps men who led American forces in battle — this week pledged their support of Proposition 4, the Oil Conservation Act, as "a true and widely beneficial conservation measure, vitally important to the national security."

Spearheading the newly formed National Defense Committee for Proposition 4 are:

Gen. Omar N. Bradley, wartime commander in Europe of the First and Twelfth Armies and former Chief of Staff and Chairman of the Joint Chiefs of Staff, who said that the current Suez crisis "is a reminder of the imperative need of reducing our dependence on foreign oil."

Gen. Holland M. "Howling Mad" Smith, USMC (Ret.), famed Marine commander of the heroic island-hopping Fifth Amphibious Corps in the South Pacific; "America must maintain the greatest possible production of oil if we are going to make an aggressor nation think twice before attacking our homeland."

Lieut. Gen. James H. "Jimmy" Doolittle, Air Force leader of the historic Tokyo Bombers and later the mighty Eighth Air Force in Europe and the South Pacific; "The benefits of Proposition 4 to labor, to business, to the motorist, to all our people are obvious. But most important of all is the effect it will have on . . . the security of our Nation."

Fleet Admiral Chester W. Nimitz, former commander-in-chief of the Pacific Fleet and the Navy's ranking wartime combat officer, previously had announced his support of Proposition 4.

Two For Tonight

By Leonard Hesser

The film industry has opened its fall season with a number of significant pictures, among which is "Tea and Sympathy" currently playing at Loew's Warfield.

For the most part Robert Anderson's controversial play about life in a boys' preparatory school has been very successfully translated to the screen. The screen's ability to go beyond the confining limitations of the stage has been used to excellent advantage, color is used to lighten the effect of the story and a prologue and epilogue have been added.

In the beginning this seemed like a good idea; by having a group of his former classmates comment about Tom Lee (John Kerr) that they didn't expect he'd ever appear at an annual reunion, audience interest is aroused. The original play is told in the form of a flashback, when Tom Lee visits the rooms he had occupied ten years before, and safe in the present looks back on the troubled past.

Troubled Adolescent
As just about everybody knows, young Lee is a late-adolescent who fails the most crucial test of his contemporaries: he does not fit into the boisterous popular norm. Rather than bay at the moon with his fellows, he prefers to listen to classical music and moon about the housemaster's wife Laura (Deborah Kerr).

One would suppose that he could look for help from his housemaster (Leif Erickson) or his father (Edward Andrews). The former's complex character has been simplified in the film and he is now only an insensitive, self-sufficient old, more interested in the physical development of his charges than in their mental and emotional growth.

Empty Compliment
Andrews is an unimaginative old whose lack of depth is indicated by his greatest compliment, which is to say that someone is a regular fellow.

Since no help is forthcoming from this ineffectual pair, there is only Laura to champion him, and in doing so she gives considerably more than "tea and sympathy." It is on this dramatic note that the play ended. Then comes the film's epilogue, which reveals the reason behind this form of presentation: to provide the opportunity for remorse, both expressed and implied, to flood the screen.

Despite this soapy ending, "Tea and Sympathy" is still a fine film. Just take our advice: leave before the epilogue. You'll never miss it; thousands who saw the play didn't.

Burlingame Gridders Down Colma Kids, 6-0

A pass interception just before the end of the first half gave Burlingame's 8th graders a 6-0 win over Colma school's 8th grade squad last Friday on the winners' field.

Colma's Jim Lafrano romped 75 yards to score late in the contest but the jaunt was erased by a penalty.

Jim Schaffer, Colma coach, praised the line efforts of Reynaldo Javier, Gary Monyhun, Tony Montalvo and Mike Page. He also liked the work of backfielders Lafrano, Bruce Howard and George Claus.

The Colmans face Millbrae down south tomorrow.

JEFF FROSH-SOPHS TEST BURLINGAME IN LEAGUE DEBUT

Jefferson's frosh-soph gridders travel to Burlingame this afternoon to open North PAL action in a battle that begins at 3 o'clock.

Leading the attack for Coach Bob Watt's team are quarterback Vic Lewkowicz and Roger Stahl. Top running threats are halfback Jim Ahern and fullback Jerry Kennedy.

Watt has two promising ends in Bob Nielson and Pete Garcia. The locals scrimmaged Lincoln of San Jose last Friday in a tune-up skirmish.

Duffy's Corner Horsehiders Muff Sponsor's Debut, 10-2

Lowell Creighton's Duffy's Corner nine, a bit jittery over getting a sponsor, spoiled their debut under the new banner Saturday as they lost a 10-2 decision to the Johnny Shell Juniors at West Sunset diamond.

Creighton's lads resumed their winning ways Sunday, however, downing Podesta Nursery, 5-3.

Ernie Alvarez checked the Duffymen on seven hits Saturday and was especially sharp with men on bases. Opposing flinger Terry Christman allowed the same number of hits, but sloppy fielding by his "nervous" mates paved the way to downfall.

Hurler Alvarez helped his own cause with two hits, one a double bringing across two runs. Christman, Barry Krohn and Tom McHugh got two hits each for the losers.

Babe Kane's 16 strikeouts chilled Podesta in the Sunday battle. The Nurserymen got off to a good start as they pushed across two runs in the first inning. They then wiped out a Duffy rally in the bottom of the frame with a triple play. Dixie Howell heroed it by spearing Christman's liner, stepping on first to catch Bill Hynes and firing to John Souza to retire Krohn.

The Duffymen got their first run in the second as Kane opened with a single, moved to second on McHugh's out, stole third and came home on Billy Hix' sacrifice.

Creighton's forces cinched the game in the third with a three run outburst. Christman's double brought in Hynes and the former scored along with McHugh on Vic Kulik's single.

Duffy's nine added a final run in the fifth and Podesta got to Kane for their last tally in the seventh.

Frank Duffy's charges play two Mid-Winter loope games Saturday. They face Larry Barret Tires in an 11 o'clock battle at Marchbanks, and move to West Sunset for a 2 p.m. engagement.

JEFF FIVES FACE SAN MATEO: SPLIT BURLINGAME DEBUT

Mike Orlich takes his Jefferson 10's and 20's to San Mateo tomorrow to meet the unbeaten San Mateo Bearcat fives in the second week of North PAL action.

Goody Tydinco, rangy center, bagged 13 points in leading the Jeff 10's to a convincing 39-20 victory over Burlingame last week. Although Roy Reitz tallied 16 points, the 20's lost, 38-26, in the second tilt.

J. B. Berry, with 7, and Mike

Brush, 5, trailed Tydinco in the 10's conquest. Scoring for the 20's were George Perata, 4, and 2 points each for Art Banos, Tom Kett and George Ogakjian.

CSM Opens Loop Action Vs. Sacto

College of San Mateo, bumped twice in practice games, opens Big Eight Conference play Saturday afternoon at 2 o'clock against Sacramento JC on the San Mateo High gridiron.

Six former Jefferson gridders are on the CSM roster. They are backs Wayne Lee, Ron O'Rourke and Daryl Hall, and linemen Dick Giusti, Al Arneson and James Giblin.

Coached by Jesse Freitas and Joe Ferom, the Matcats lost to Fullerton JC, 27-7, last week in a game down south. They dropped their opener two weeks ago to another powerful southern squad, Los Angeles Valley JC, 32-7.

Fire Volunteers Expense Fund Is Under Inquiry

\$400 is insignificant. I won't go for cutting it out. If I was a volunteer, I'd want something to hold me in besides the on-call pay."

The \$500 a year allocated by the city for the Veteran Firemen's Association, a social organization, was also questioned briefly.

Mayor Joseph Verducci asked that Kennedy also report on the financial affairs of the Veteran Firemen to show what the city funds were spent for.

Sales Tax Meet

In other unofficial action at this week's study session, the council: 1. Established November 7 as date for meeting with Daly City Chamber of Commerce on proposed one-cent municipal sales tax.

5. Approved dance permit from Retail Dry Cleaning Plant Owners association to conduct dance at Westlake auditorium October 22.

Sereni said today. Meanwhile, Smith declared that he would not object to a fill and cover dump on the site.

SM College Interest

He added, however, that a College of San Mateo committee and two subdividers have expressed interest in the land.

In negotiating for annexation to Daly City, Smith said he represents H. C. Christen, operator of the 900-acre Christen Dairy Ranch, the 70-acre Colma Farms company, of which he is part-owner, and the five acre Jay Quetnick farm.

Smith and Michael Callan, who owns 120 adjacent acres, met with the Daly City council Monday noon to begin preliminary negotiations for annexation.

At that time the council informed the two men that they would have to agree to the subdivision ordinance and assume all debts and liabilities of Daly City taxpayers.

Why the Oil Conservation Act will KEEP GAS PRICES DOWN

- Why does Oil Conservation mean gasoline price protection for motorists?
- Why will Proposition 4, the Oil Conservation Act, help keep gas prices down?

—Because conservation of California's irreplaceable oil resources means stopping waste in the production of oil. **It means getting every last drop of oil from the ground that it is possible to get by modern, scientific recovery methods.**

—Because Proposition 4—by providing urgently needed Oil Conservation legislation—**will double the production of oil from California fields.**

—Because a plentiful supply of low-cost California oil is the **best possible guarantee against drastic increases in the service-station price of gas.**

IF YOU DRIVE A CAR, you are vitally concerned over the price of gasoline.

There are **three pressures** operating today in the direction of increased prices of gasoline. They are:

1. Greater expenditures by both the Federal and State governments for improved highways and freeways—**financed by higher taxes on every gallon of gas you buy.**
2. The Suez Canal crisis and Middle East unrest—foreshadowing demands on American oil to fill Western European needs.
3. The constantly increasing horsepower of automobile motors—requiring gasoline with higher and higher octane content.

The great, pocket-book importance of Proposition 4 to motorists is that it will provide an important counter-pressure to these rising price trends—by greatly increasing the supply of low-cost California crude oil.

● **THESE COMPANIES SERVE THE MOTORIST:** The major, integrated oil companies (with only one exception)—**the companies that not only produce oil, but refine it and distribute it to the public—support Proposition 4.** Their interest is in volume production and distribution of gasoline at reasonable prices.

● **THESE COMPANIES DO NOT SERVE THE MOTORIST:** On the other hand, the **interest of the large-scale, multi-million dollar "independents" who are opposed to Proposition 4 is in higher prices.** They are simply producers of crude oil and do not serve the motoring public. **They are currently agitating for higher prices for crude oil.**

● **THE MOTORIST'S INTEREST, THE PUBLIC INTEREST, YOUR INTEREST—CLEARLY IS IN BOOSTING SUPPLIES OF LOW-COST CALIFORNIA OIL, AND KEEPING GASOLINE PRICES DOWN, BY ENACTMENT OF PROPOSITION 4.**

Vote YES on Proposition 4

TITLE-HUNGRY JEFF DUELS PANTHERS IN LOOP OPENER

Jefferson's bulky but reserve-shy Indians, uncertain of their own destiny, hope to find the answer tomorrow afternoon when they break the seal on the 1956 North PAL football campaign against powerful Burlingame at 3 o'clock.

Coach Joe McGrath expects a tough battle in the Panther pit as the Blingums are ranked with Jeff behind Capuchino for the northern division crown.

Strong Debut

Bossed by shrewd Elmer Schaake, the Panthers sounded the alarm last week by battering Fremont of Oakland, 32-7, in a warmup test. McGrath's boys, on the other hand have only a scrimmage with Balboa behind them as they await the opening whistle.

Jeff's title hopes, somewhat doubtful on the basis of a thin bench, hinge on the strength of McGrath's awesome forwards, who average 207 per man and move swiftly as a unit. Jeff could have the best line in the league if injuries don't upset the applecart.

The Jeff backfield, minus all-purpose Jim Honeywell, remains a question mark. Fullback Lee Casentini is the lone returning starter, but McGrath has a good field general in Ed Leveroni and two speed merchants, Dave Callaway and Sonny Martinez, at halfbacks. Martinez is the lone junior on the starting eleven, the other 10 being seniors.

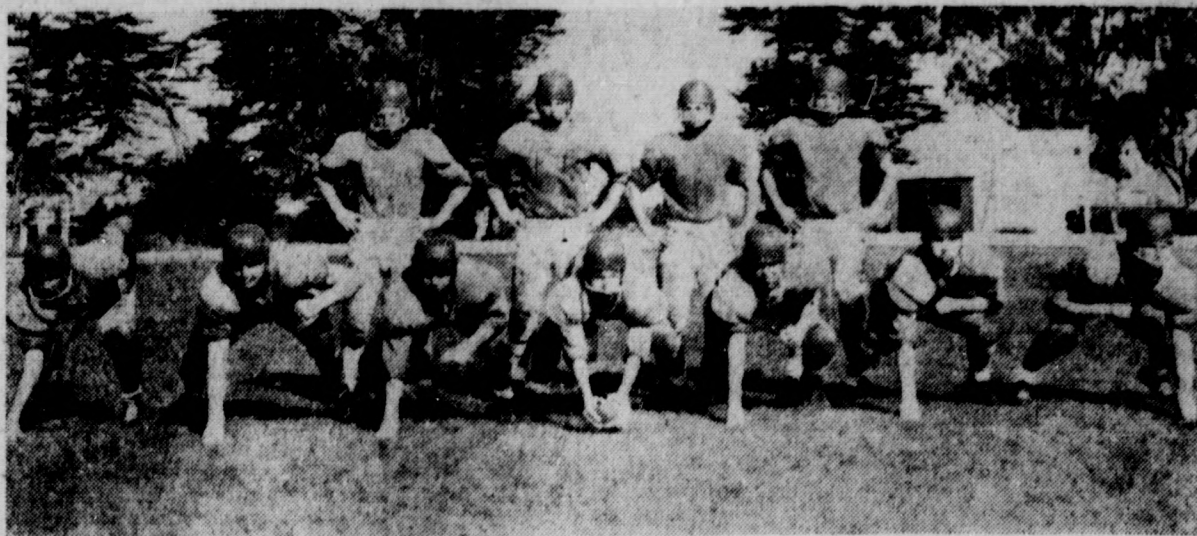

Top Flankman

Up front, Jeff boasts an all-league candidate in end Tom Cloutier, 6-4 and 215. Combined with his glue-fingered partner Steve Cauty, 6-2 and 197, the Indians expect to depend heavily on aerial tactics.

Holding down the tackle slots are giant Jim Farley, 245, and George McNutt, 203. Both are 60-minute men and saw considerable duty last year.

Bill Riedstra, 182, a Poly High of S. F. transfer, and Lou Arrighi, 195, open at guards. Arrighi is replacing '55 first stringer Rich Duncan, out for 10 days with a bad knee.

Ron Moon, a quick 205-pounder, gets the call at center. McGrath thinks he'll develop into one of the loop's best.

READY TO ROLL in their northern division PAL opener tomorrow against Burlingame at 3 p.m. are the title-hunting Jefferson Indians. Line (left to right): RE-Steve Cauty, 197;

RT-Jim Farley, 245; RG-Bill Riedstra, 182; C-Ron Moon, 205; LG-Richard Duncan, 175; LT-George McNutt, 203; LE-Tom Cloutier, 215. Backs (left to right): HB-Dave Callaway, 172;

FB-Lee Casentini, 185; QB-Ed Leveroni, 165; HB-Sonny Martinez, 160. Lour Arrighi, 195, may replace Duncan, who banged up his knee last week.

W'moor Cross Country Club Opens Season

Jim Gustafson and Dave Dunbar were expected to lead their respective varsity and frosh soph cross-country teams at Westmoor High school when the harriers made their league debut yesterday against San Mateo.

Minus the seniors who are all enrolled at Jefferson, Coach Ernie Ribera will field two teams of boys with scant experience at the long distance hauls.

Ribera anticipates that Gustafson, fourth in the All-PAL frosh-soph meet last year, will be the shining light of his varsity squad. Two performers who are expected to back him up are Larry Bennett and Bucky Hyers. Completing neophyte varsity squad are Phil Green, Roger Cunningham, Rick Schweitzer and Jerry Rosenberg.

Ribera guesses that his unlimiteds "should break even" in dual meets this year.

Despite lack of experience, the frosh soph club will be "tough to beat" in dual meet competition, Ribera prophesies.

Dunbar, a sophomore with a year's marathon running behind him, is expected to lead his club and Ribera predicts he may be the best in the division.

Phil Anderson may well press Dunbar for honors, while Rich Gomez and Mike Young are a pair of strong runners and Ed Cyr and Rick Greenwood have "shown possibilities." Other team members include Bob Behr, Russell Chalmers, Dick Ellis, Arthur Chaskin, Bill Savage, Ken Franges, Bill Baker and Paul Clawson.

The Jefferson harriers, lacking a full-time coach, will travel with Ribera to all dual meets but will compete unofficially until the PAL finals.

The Westmoor cross-country schedule is as follows:

October 9—at Carlmont; October 11—at Capuchino; October 16—at Burlingame; October 18—at Hillsdale; October 25—at South San Francisco; November 1—PAL finals at Stanford; November 9—NCS trials at Stanford; November 16—NCS finals at Stanford; December 1—Northern California championship at Sacramento.

SARTO AC DUMPS DC BRAVES, 7-5

Sarto AC held the Daly City Braves to one hit Saturday and posted a 7-5 victory.

Jim Wilson, Brave ace, was yanked in the first inning after giving up three runs on the same number of hits and a walk. Dennis Draper finished on the mound for the losers.

The Braves defeated their dads Sunday in a special exhibition, 9-5. Only five adults showed up, so several stray ball players got into the act.

The Braves open play in the S. F. Junior Baseball Association C League Sunday by meeting St. Stevens at 10 a.m. in Seals stadium. Admission is 50 cents.

TWO VETERANS in Jefferson's forward wall, End Tom Cloutier (left) and Guard Richard Duncan, discuss tomorrow's opening

clash at Burlingame with Coach Joe McGrath. Cloutier, 215, looms as one of the best pass snappers in the PAL. Duncan,

175, was a mainstay for the Indians in 1955 but is nursing a knee injury.
